I, **Ralph H. Falls, Jr.**, hereby tender my license to practice and desire to resign from The North Carolina State Bar. My resignation is tendered freely and voluntarily, is not the result of coercion or duress, and I am fully aware of the implications of submitting the resignation.

2000-10-10

I understand that the State Bar Council will consider this affidavit of surrender at its meeting on January 16, 1998 and waive further notice

I am aware that there are presently pending investigations or other proceedings regarding allegations that I have been guilty of misconduct, to wit:

- (1) I represented Eric Solheim and his business entities. During the course of this representation, I received sums on behalf of Solheim or his business entities which were deposited into my trust account.
- (2) Pursuant to this representation, I made numerous disbursements from my trust account at the request of Solheim on behalf of Solheim or his business entities.
- (3) I made disbursements from my trust account at the request of Solheim in excess of the amount Solheim had on deposit in my trust account.
- (4) Being aware that my trust account was out of balance, I continued to use my trust account by make deposits and disbursements for other clients.
- (5) I knowingly used the clients' funds deposited into my trust account to pay obligations of other clients whose funds had previously been deposited into my trust account.
- (6) As a result of the disbursements I made at the request of Solheim in excess of the amount he had on deposit, my trust account is \$254,425.30 out of balance.
- (7) As a result of my trust account being out of balance, I have written NSF checks on my trust account and have amounts I need to disburse on behalf of clients that my trust account balance is not sufficient to cover.

I acknowledge that the material facts upon which the complaints are predicated are true. I am submitting my resignation because I know that if charges were predicated upon

the misconduct under investigation I could not successfully defend against them.
